

Contract Sunday JM - ICSI

The agent

ERC De Morette
Edingsesteenweg 239
1730 Asse, Belgium
BE 0472.133.840
0032 2453 00 61
stallions@ercdemorette.be

Conditions

- ERC De Morette will act as agent for the stallion owner Het Netehof. All communications will be made to stallions@ercdemorette.be.
- ERC De Morette gives hereby permission to the mare keeper that the frozen semen of the stallion Sunday JM can be used for ICSI for the oocytes of the mentioned mare which will be fertilized with the intention to do embryo transfer.
- The semen is and will at all times remain the property of the stallion owner
- The ICSI procedure is only allowed at Vetembryo Denmark.
- The customer agrees that the agent/stallion owner is entitled to receive information and results regarding the results of the ICSI performed and the embryo's made directly from VetEmbryo.
- Studfee will be **400 euro excl. taxes** for each frozen embryo produced.
- Permission to use the frozen semen will be given to Vetembryo by ERC De Morette after receiving signed contract.
- Special agreements are only valid between ERC De Morette, stallion owner and the mare owner if they are agreed in writing.
